

2018

**Come say Hello & Drop Off your
DONATIONS at the WELCOME BOOTH!**

**PHILADELPHIA PAGAN PRIDE
DAY 2018**

WELCOME!

Welcome to Philadelphia Pagan Pride Day 2018!

We return to our original site at Clark Park B this year, and we have a fantastic lineup of vendors, workshops, and entertainment! We are thrilled to have Byron Ballard as our first Keynote speaker!

As is always the case at these events, the most difficult choice will be which workshops to attend, particularly when we have Byron, Amy Blackthorn, and our local groups, such as Red Oak Grove, discussing so many topics of interest throughout the day.

For those of you with children, we have the convenience of the playground this year, plus Eddie Massey will be providing children's entertainment throughout the day in the Acorn Tent.

We would like to thank the volunteers for taking time out of their weekend to help with the setting up and breaking down of the event. We can always use more volunteers, whether for this year's event or in preparation for 2019. If interested in helping, please talk to one of the Board members at the Welcome tent.

On behalf of the Board of Directors, thank you very much for your ongoing support of Philadelphia Pagan Pride Day and of our vendors, entertainers, and presenters!

Robert L. Schreier

President and Local Coordinator

MISSION

The Mission of the Pagan Pride Project is to foster pride in Pagan identity through education, activism, charity and community. In keeping with that mission, Philadelphia Pagan Pride Day is intended to bring together Pagans of all traditions to advance understanding communication and fellowship among the various communities.

Philadelphia Pagan Pride Day is an open, public, family-friendly harvest event. We welcome anyone to participate who supports our mission and/or wishes to learn more about the Pagan community and our beliefs. An important facet of the mission is to build community among Pagans, and adherents of non-traditional faith systems and to educate the greater community about those beliefs. The event is designed as a celebration of life and of a community that contains diverse elements. That being said, we also find hate and intolerance in any form abhorrent and counterproductive to our mission.

We on the Board of Philadelphia Pagan Pride Day are committed to our stated mission as part of the greater Pagan Pride Project. The integrity of the Philadelphia Pagan Pride Day and its mission and the safety of the participants are our primary obligations as organizers of the event.

Any decisions made regarding changes to the schedule of events are based solely on the effort to fulfill our mission and to provide an enjoyable and meaningful event for our community. The views, opinions, and outside affiliations of the participants and attendees of Philadelphia Pagan Pride Day do not necessarily reflect the views of the organization, its Board, or event volunteers.

In Love and Light, Bright Blessings,

The Board of Philadelphia Pagan Pride Day

IN MEMORY OF SARAH LYTER

Written by Rob L. Schreier

Sarah E. Lyter

February 18, 1985 - January 23, 2018

Back in 2012, I felt a need for Philadelphia to revive the idea of a Pagan Pride festival. After I was cleared as the Local Coordinator by the Pagan Pride Project, my first task was to find people to help to establish it. I started on Meetup, and very shortly thereafter, I received the first response. It was from Sarah Lyter.

Sarah and I worked together quickly. It was her idea to hold Philadelphia Pagan Pride 2013 in Clark Park, and the logo that is on the t-shirts this year was Sarah's design. She was eager to put her artistic skills to use to help to build this festival, and, without her, we never would have had the wondrous turnout in our first year, which catapulted us to successful events. We are now in our sixth year.

Sarah was my apprentice in the Guild of Urglaawe Practitioners of Braucherei and Hexerei. She had a talent for healing others, and she was powerful at standing her ground for just causes. She was active in many groups in the area. She was a friend of many of us who are here today. We all miss her dry and wry sense of humor. Our community is diminished by her loss.

Our main ritual today will function as a commemoration of Sarah's life within our community and her work as a co-founder of Philadelphia Pagan Pride. Please join us, share your memories of her, and let the community honor her memory together.

Hail Sarah!

With its gnarly roots in the British Isles, the German Palatinate and in indigenous American tribal practice, Appalachian folk magic is characterized by its hands-on and practical approach, as well as its use of available materials. Though it has come down to us through a Protestant Christians filter, this system is easily adapted to modern Pagan sensibilities.

ENTERTAINMENT

ASHAGAL

Dubbing their sound "Mythic Folk" - Ashagal transports the listener to the realm of dark faerie tales. It seeks to unlock a winding, mist-filled path into our tribe's legendary past. A blend of languages tell tales of an elder world over the ancient sounds of bagpipes, the hurdy gurdy, a variety of flutes, and tribal drums. Ashagal fuses their rich textures with original lyrics and compositions. While historically inspired the band also draws upon contemporary music such as rock, gothic, and metal.
